Join other middle school girls in a five day program to explore career opportunities and learn job seeking skills. The week will include activities like creating a vision board to imagine your future, completing a career assessment to determine your interests, talking about grooming and hygiene, and practicing interview skills. There will be two field trips: one to Honolulu Community College to learn more about college programs and one to the Sheraton Hotel in Waikiki to explore careers in hospitality. Lunch will be provided at the Sheraton to practice dining etiquette.

To register, contact Donna Taniguchi at donnat@palamasettlement.org or (808) 848-2517.
