

TITLE: Lifeguard

Department: Recreation, Aquatics

Reports To: Aquatics Program Manager

Our mission is to partner with those who have the greatest needs in our community, empowering them to enhance their well-being through education, health and recreation.

I. Job Summary:

This position is located in the Recreation Division. The mission of the Recreation Division is to provide children, youth, adults, and senior citizens with the opportunity to participate in programs and activities that promote health, wellness, positive interaction, development of social skills and appropriate behavior, and a commitment to community development. The Recreation Division is divided into three Departments: (1) Youth Activities Department; (2) Adult Activities Department; and (3) Facilities Departments.

The focused mission of the Pool Department is to provide youth and adults in the community with opportunities for public swim, water safety and learning how to swim. Additionally, the Pool Department is focused on providing an opportunity for swimmers to pursue competitive and recreational aquatic sports & activities in conjunction with positive mentoring regarding healthy lifestyle choices (exercise, staying away from drugs, alcohol and smoking, etc.), goal setting and community service.

Parent and community participation in helping to coordinate and mentor youth is encouraged and training on how to effectively work with these youth is provided on an as needed basis to volunteer coaches, parents/guardians, and staff.

The Lifeguard assists the Recreation Division Director with representing Palama Settlement in the community, organizing community events centered on pool activities and other related duties.

II. Essential Duties:**A. Lifeguard Duties**

- Perform lifeguard duties during regularly scheduled pool hours, as agreed upon by the Recreation Division Director.
- Provide supervision of all pool users at all times to ensure that the pool rules are abided, and safety is maintained.
- Maintain current CPR, First Aid, Lifeguard and WSI certification.

B. Pool and Locker Room Maintenance

- Test and accurately record the daily levels of the swimming pool's pH and chlorine levels.
- Notify the Recreation Division Director of any discrepancy and/or concern in the pH and chlorine levels.
- Assist in keeping the pool and surrounding areas clean. This includes the pool deck, office area, locker room and shower area.
- Regularly evaluate the safety conditions in and around the pool and report any concerns to the Recreation Division Director.
