Volunteer Policies & Procedures

Volunteer Program

1.1 Overall Policy on Utilization of Volunteers

The achievement of the goals of this agency is best served by the active participation of citizens of the community. To this end, the agency accepts and encourages the involvement of volunteers at all levels of the agency and within all appropriate programs and activities. All agency and staff are encouraged to assist in the creation of meaningful and productive roles in which volunteers might serve and to assist in recruitment of volunteers from the community.

1.2 Purpose of Volunteer Policies

These policies are written to provide overall guidance and direction to staff and volunteers engaged in volunteer involvement and management efforts. These policies do not constitute, either implicitly or explicitly, a binding contractual or personnel agreement. Our agency reserves the exclusive right to change any of these policies at any time and to expect adherence to the changed policy. Changes to or exceptions from these policies may only be granted by the Executive Director and must be obtained in advance and in writing. Areas not specifically covered by these policies shall be determined by the Executive Director.

1.3 Definition of “Volunteer”

A “volunteer” is anyone who, without compensation or expectation of compensation beyond reimbursement, performs a task at the direction of and on behalf of the agency. A “volunteer” must be officially accepted and enrolled by the agency prior to performance of the task. Unless specifically stated, volunteers shall not be considered as “employees” of the agency.

1.4 “Mandatory” Service

Our agency also accepts as volunteers those participating in student community service activities, student intern projects, alternative sentencing or diversion programs, corporate volunteer programs, and other volunteer referral programs. In each of these cases, however, a written agreement must be in effect with the organization, school, or program from whom the special case volunteers originate and this agreement must identify responsibility for management and care of the volunteers.

Volunteers who have not reached their age of majority must have the written consent of a parent or guardian prior to volunteering. The volunteer services assigned to a minor should be performed in a non-hazardous environment and should comply with all appropriate requirements of child labor laws.

1.6 Clients and Relatives as Volunteers

Agency clients may be accepted as volunteers, where such service does not constitute an obstruction to or conflict with provision of services to the client or to others. Relatives of clients may also serve as clients but will not be placed in a position of direct service or relationship to members of their family who are receiving services.

1.7 Service at the Discretion of the Agency

Our agency accepts the service of all volunteers with the understanding that such service is at the sole discretion of the agency. Volunteers agree that the agency may at any time, for whatever reason, decide to terminate the volunteer's relationship with the agency.
