

DIGITAL ARTS DEPARTMENT SPRING 2026 LEGO Spike Robotics

LEGO Spike Beginner Foundations (no experience needed):

This Spike Essential Robotics class is beginner friendly, using simplified SPIKE kits. Students don't just build robots they build confidence, friendships, and creative problem-solving skills. Using the Spike Essential kit, students explore basic robotics and coding through fun, imaginative challenges. They'll work together, express themselves, and learn how to overcome obstacles.

LEGO Spike Prime (no experience needed):

More experienced students will embark on fun missions, building and programming more advanced LEGO robots. Unleash your creativity, conquer challenges, and witness your robotic creations come to life!

When: Spike Essentials -Wednesdays 3:30pm to 5pm January 21st - May 13th

Spike Prime- Thursdays 3:30pm to 5pm February 5th-May 14th

Where: Palama Settlement - 810 N. Vineyard Blvd.
