

DIGITAL ARTS DEPARTMENT SPRING 2026

CODING IN SCRATCH CLASSES

Intro to Scratch (no experience needed):

Our fun and interactive intro to coding class will take you from zero-knowledge to creating your own fun interactive projects. From designing games to crafting animations and possibly even interactive stories, the possibilities are endless.

Coding Studio (some experience required):

Build your own Scratch projects from start to finish, whether you work solo or with a team. Share your ideas, collaborate, and get feedback from a supportive community of classmates. Join now to level up your coding skills and make new friends!

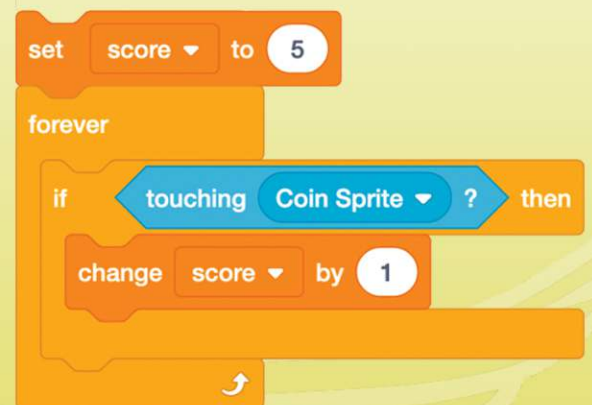

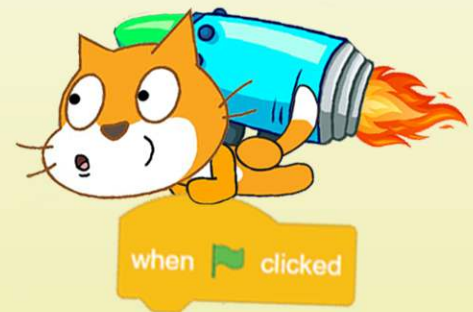

When: Tuesdays 3:30pm - 5pm, January 20th - May 12th

Where: Palama Settlement - 810 N. Vineyard Blvd
in the Cecilia Blackfield Academic Center

Cost: Free (Donations are welcome)

Ages: 7 to 12 for the Intro Class, 8 and up for the studio class

How to join: For more information or to register
email agustafson@palamasettlement.org,
call (808) 848-2510, or come to Palama Settlement in person.

This institution is an equal opportunity provider.

Our mission is to partner with those who have the greatest needs in our community, empowering them to enhance their well-being through education, health and recreation.
